

# Grade Seven Supply List

As you know, JEMS has no lockers. This makes proper organization a critical component of a successful year. In order to simplify “back to school” shopping and still provide students with the tools and materials they need, we are asking parents/guardians to purchase the following:

- **1** large 3-ring binder – (Trapper Keepers work well).
- **1** marbled composition notebook
- **1** pencil case/pouch that fits inside the 3-ring binder
- **4** folders with pockets
- Writing utensils – please supply these; the teachers cannot be responsible for providing pens and pencils
- A small calculator
- 2-4 hi-liters
- Tissue box donations are ALWAYS appreciated!!!!

\*Mrs. Dillon, Team 7.1 English teacher, requests that her students have one, 1½”, 3-ring binder with loose paper and a pocket folder inside.
